

2020 Camp Guide

MIDDLE SCHOOL

SAXOPHONE ACADEMY

Description of Camp

The Middle School Saxophone Academy is designed to accommodate musicians ranging from the most talented and proficient to the less experienced, with a minimum of one year of training on the saxophone. It is open to graduates of grades 6, 7 or 8. Our outstanding saxophone faculty lead the students in a range of exciting activities including large saxophone ensemble, chamber music and saxophone electives.

Instruction includes rehearsals, sectionals, master classes, supervised practice, and saxophone specific electives. Whatever the level of proficiency, all LMC campers will find new challenges and opportunities that will enhance their abilities as musicians!

The camp culminates with a required student performance.

Typical Daily Schedule

Residential campers are awoken by counselors. Everyone eats breakfast as a group and then walks to the rehearsal site together. All campers spend mornings in electives and chamber ensembles. All campers are escorted by counselors back to the dorm for lunch.

The afternoon is spent in master classes, rehearsals and/or sectionals. Master classes expose students to important repertoire and instrumental techniques unique to the saxophone. Students work on basics of tone production, breath support, articulation, and ensemble performance.

Each day, all campers have afternoon recreation time. Students are allowed to choose from a list of supervised activities. Some activities will require separate advance payment (i.e. bowling at the Texas Underground, visiting the Texas Memorial Museum). Payment for these activities will be collected on the day of registration and billed to each student's account in our online registration system. **Beginning in summer 2020, Longhorn Music Camp can no longer accept cash as payment for any recreational activities.**

Commuter campers depart after recreation time, and residential campers eat dinner in the dorm as a group. Evening recreation is always a camp-wide activity. Past activities have included movie night, game night, attending a UT Longhorn Summer Band concert, and Water Olympics. After evening recreation, campers go back to the dorm for a floor meeting and time to shower, call home, and go to sleep.
