## HIGH SCHOOL BAND & HONORS WIND ENSEMBLE

### Description of Camps

---

The High School Band/Honors Wind Ensemble Camp is designed for musicians ranging from the most talented and proficient to the less experienced. It is open to students entering grades 9, 10, 11, or 12. This session features four concert bands each conducted by recognized outstanding conductors from around the state of Texas. The program includes sectionals, master classes, elective study, supervised practice, and optional private lessons. Students who have completed the 8th grade may register for High School Band/Honors Wind Ensemble Camp and/or Middle School Band Camp. All students will audition for placement on the first day of camp. Students who are selected for Honors Wind Ensemble will receive private lessons and chamber music coaching from Butler School of Music faculty.

This camp culminates with a required student performance.

### Typical Daily Schedule

---

Residential campers are awoken by counselors. Everyone eats breakfast as a group and then walks to the Butler School of Music together. All campers spend mornings in rehearsals and/or sectionals (by ensemble). All campers are escorted by counselors back to the dorm for lunch. Lunch breaks are organized by ensemble.

The afternoon is spent in master classes and/or daily elective study. Master classes expose students to important repertoire and instrumental techniques unique to their instrument. Students work on basics of tone production, breath support, articulation, and ensemble performance. Elective Class choices may vary depending on the camper's assigned ensemble, master class, and sectional schedule. Classes meet each day and provide students an opportunity to take an in-depth look at a particular music subject.

Each day, campers will have afternoon recreation time. Students are allowed to choose from a list of supervised activities. Some activities will require separate advance payment (i.e. bowling at the Texas Underground, visiting the Texas Memorial Museum). Payment for these activities will be collected on the day of registration and billed to each student's account in our online registration system. **Beginning in summer 2020, Longhorn Music Camp can no longer accept cash as payment for any recreational activities.**

Commuter campers depart after recreation time, and residential campers eat dinner in the dorm as a group. Evening recreation is always a camp-wide activity. Past activities have included movie night, game night, attending a UT Longhorn Summer Band concert, Water Olympics, and a talent show. Friday night is

the banquet and dance at the Texas Union Ballroom. After evening recreation, campers go back to the dorm for a floor meeting and time to shower, call home, and go to sleep.

## Audition Information

---

**NEW for 2020:** Campers will audition for ensemble placement by video recording. Videos will be submitted on the Longhorn Music Camp website according to instructions that will be posted there. Students are required to submit their video audition by the posted deadline. ***Students who do not submit their video by the deadline risk forfeiting their spot in the camp if there is a waiting list of students on their instrument!***

Specialists on each instrument will evaluate each camper's individual audition video. Based on this audition, each camper will be placed in the ensemble best suited for his/her playing ability. **Please remember that all of our campers are outstanding musicians and are often the top players from their schools/regions.** Audition results are carefully tabulated and checked by camp staff. Band assignments will not be altered after posting. Results will be announced at the conclusion of the 6:00 PM camp meeting and parents will be notified via email soon thereafter. Campers are encouraged to contact their parents with their band placement.

Audition music has been selected to make a critical judgment of the camper's current ability. The camper should be adequately prepared to play his/her best. It is not necessary to memorize any of the audition music. Audition music will be available for download at <http://www.longhornmusiccamp.org> on **Monday, March 23, 2020**. Registered campers will receive an email when music is posted and available for download.
