

2019 Camp Guide

STRING ORCHESTRA

(GR. 7–10)

Description of Camp

The LMC String Orchestra Camp is open to graduates of grades 6, 7, 8 or 9. Exemplary specialists in orchestral music conduct the two orchestras. The program includes sectionals, master classes, supervised practice, and optional private lessons. Whatever the level of proficiency, all LMC campers find new challenges and opportunities that will enhance their abilities as musicians!

The camp culminates with a required student performance in Bates Recital Hall.

Typical Daily Schedule

Residential campers are awoken by counselors. Everyone eats breakfast as a group and then walks to the Butler School of Music together. All campers spend mornings in rehearsals and/or sectionals (by ensemble). All campers are escorted by counselors back to the dorm for lunch. Lunch breaks are organized by ensemble.

The afternoon is spent in technique classes, and rehearsals. Technique classes expose students to important repertoire and instrumental techniques unique to their instrument. Students work on basics of tone production, articulation, and ensemble performance.

Each day, all campers have afternoon recreation time. Students are allowed to choose from a list of supervised activities. (Activities include Texas Union Underground arcade and bowling; campers interested in the Texas Union Underground should bring cash--admission is approximately \$8 for bowling and billiards; the arcade is coin-operated. The Texas Memorial Museum also charges \$5 for entry).

Commuter campers depart after recreation time, and residential campers eat dinner in the dorm as a group. Evening recreation is always a camp-wide activity. Past activities have included movie night, game night, attending a Chamber Concert, Water Olympics, and a talent show. Friday night is the banquet and dance at the Texas Union Ballroom. After evening recreation, campers go back to the dorm for a floor meeting and time to shower, call home, and go to sleep.

Audition Information

Campers will audition at the Butler School of Music on Sunday afternoon. In order to eliminate long lines at audition rooms, audition times will be assigned. We are unable to accept audition time requests.

Campers will be informed of their audition time by email during the week prior to the start of the respective camp and must audition at their assigned time. The audition process will begin at 2:00 p.m. and should end by 4:30 p.m.

Please arrive at least 30 minutes prior to assigned audition time to allow time for parking, warming up, and finding room. Audition rooms are posted in the music building and counselors will be on hand to assist. There will be a designated warm up area for students.

Specialists on each instrument will hear each camper's individual audition. Based on this audition, each camper will be placed in the ensemble best suited for his/her playing ability. **Please remember that all of our campers are outstanding musicians and are often the top players from their schools/regions.** Audition results are carefully tabulated and checked by camp staff. Band assignments will not be altered after posting. Results will be announced at the conclusion of the 6:00 p.m. camp meeting and parents will be notified via email soon thereafter. Campers are encouraged to contact their parents with their band placement.

Audition music has been selected to make a critical judgment of the camper's current ability. The camper should be adequately prepared to play his/her best. It is not necessary to memorize any of the audition music. Audition music will be available for download at <http://www.longhornmusiccamp.org> when registration opens.
